Suggestions: Do you have a suggestion for how the HOA can improve? Have an idea for an activity? Tell us how you think we can improve lifestyle for the community. For example: activities, guest speakers, socials, HOA improvements etc.

Concerns: Tell us your concerns so the HOA can address it with management. As best you can, describe in detail your concern. Include any proposed solutions you have to resolve the issue.

(Circle One): Yes or No - I have addressed this issue with management via email or work order.

PLEASE NOTE: The Homeowners Association Board is charged with assisting residents with concerns that potentially impact **all** or **many** residents. If your concern is specific to your home or lot, please take it up yourself with management. Initial attempts to resolve issues with management should be **documented** using **work orders** or by sending **Work Order Help Tickets using Email:**
