All BOD business is to be carried out at the meeting on February 10, 2025.

The Annual Informational meeting will be held February 17, 2025.

Due to not having a BOD meeting for two months (due to illnesses etc.) this meeting will be an open Forum.

Please bring your suggestions and concerns to the meeting. I also ask that you share constructive suggestions and concerns and possibly have a solution to problems. We can work together to make this village whole again.

Membership volunteers will be at the membership table to receive annual membership dues. \$20.00. Remember a strong unified community has strength in numbers. Let's reach that goal of 400 HOA members for 2025.
