Camelot lakes HOA informational meeting

10/19/2026

Residents' Concerns:

Harrison Napp Lot 405—Street lights for Cul De Sac are needed for safety.

Carlita Webb Lot 134----Email Test was not received. View Blair and Camelot S.

Terri Maffa, new resident---What is a work order for? No work orders are available for residents. Is Ham radio antenna allowed?

Susan Stewart Lot 242--- Can we use our porchlight at night?

Debra McIntyre Lot 196----Lot fees increase. Lot rents will not be discussed until 2028. Citizens' complaints are a possibility.

Connie Flanigan Lot 55----Willing to help with compliance. Street sign at Camelot E/Camelot W. has still not been replaced since hurricane Milton.

Dee Doves lot 283---Storage sheds are very important for residents needs. There was never a question in the past. Rule is at the whim of management.

Pam lot 358--- Q&A on website not being updated. Sheds are needed and add addendum.

Petition is needed for our voices to be heard on shed and streetlights.

Paul lot 69----Quitters interested in materials?

Meeting Adjourned 7:40pm
