A message from the Board of Directors

There's been continuing discussion about our members not receiving HOA emails. We continue to work on this process and have fixed quite a few disconnects. However, if you are not receiving our Email Blasts, please send an email **to camelotlakesvillagehoa@gmail.com**, from the email account you want to receive HOA emails from. Title the email “Address Verification”. We will verify and load your address in our database. You may also want to create a contact for the HOA and list the HOA email address. This can eliminate email servers from listing our emails as spam.

A note about membership. Some of you may think why bother being a member, Cove will do whatever they want anyway. For one, without the HOA, each homeowner only has ONE voice with village management and ownership. With the HOA you have the support of hundreds. Whether you engage the HOA on issues or not, isn't the point. The point is you have an alternative channel of communication backed by the majority of homeowners. Homeowner's Associations are recognized in Florida Law as the primary organization to represent YOU and without it, park/village ownership can potentially do whatever they want. In short, Cove would rather the HOA go away. Where would we be then?

Please consider your membership. \$20 a year is a small price to pay for representation.

President HOA

The Membership Drive has started. Please consider joining or keeping your membership. The only voice we have is in numbers. The zone captains will be canvassing the neighborhood in the next few weeks. Do remember they are volunteers, and this is a time-consuming job. We greatly appreciate your support.

The Membership Dinner will take place at the March 20th meeting. You must sign up to receive a ticket. Tickets will be available at the February meetings. This is complimentary and for members only.
