A message from the Board of Directors

There's been continuing discussion about our members not receiving HOA emails. We continue to work on this process and have fixed quite a few disconnects. However, if you are not receiving our Email Blasts, please send an email to camelotlakesvillagehoa@gmail.com, from the email account you want to receive emails from the HOA. Title the email “Address Verification”. We will verify and load your address in our database. You may also want to create a contact for the HOA and list the HOA email address. This can eliminate email servers from listing our emails as spam

The Membership Drive has started. Please consider joining or keeping your membership. The only voice we have is in numbers. The zone captains will be canvassing the neighborhood in the next few weeks. Do remember they are volunteers, and this is a time-consuming job. We greatly appreciate their support.

The Membership Dinner will take place at the March 20th meeting. You must sign up to receive a ticket. Tickets will be available at the February meetings. This is complimentary and for members only.

Just a reminder that the January Veteran Coffee will be on the 9th due to the holiday weekend. Lunches and outings are being planned. If you have any ideas, please share

In March we will be filling three board of directors positions. Anyone interested in joining us can do so by filling out an application. The applications can be found on the bulletin board in the clubhouse and on the website under the membership tab, or by contacting any board member.
