Director’s Message

From President, Pam Bentz

Welcome to all the newly elected board members. I am looking forward to working with you in the coming years to strengthen our relationship with the community as well as with Cove. We have a lot of work to do before next year’s negotiations, but I feel we will be more than prepared. After all our number one mission is to represent all our residents.

Survey Says...

The Board’s Communication Committee will be sending surveys out by the end of this week to all residents. The information received from this survey will help the HOA keep in touch with you. Please take the time to answer the few questions and return either through the e-mail blast, website, or dropping it off in the Ballot Box at the Auditorium by June 30. Thank you.

Meeting Schedule

The Camelot Lakes Village HOA’s Board of Directors meeting is the 1st Thursday of each month. The HOA Informational meeting is held on the 3rd Monday of the month. Both meetings are open to members. Please note, there will only be a Board of Director meeting on July 15. No informational meeting or other meeting in the summer months.

How Can We Reach You?

Our intent is to keep you all informed with correct information on a monthly basis through this newsletter. It will be posted on social media pages as well as an e-mail blast. A letter will be sent out soon asking you how you would like to receive the information. Please update your information. If you do not have access to email or Face Book and would

General Information

The CLVHOA is reinstating this newsletter in an effort to get official HOA information to you. There are several social media outlets active and being used for discussions about community issues. None of these outlets speak for the HOA.

Maintenance request or complaint? If you have an issue needing addressing, it is the resident's responsibility to submit the Maintenance Request to Susan. Please get a copy for your records. If that Request has not been addressed in a reasonable amount of time, then it can be brought to the attention of the Board for review.

Look us up! The Camelot Lakes Village HOA website is active and full of information. It is still a work in progress, so be patient, we are making it more user friendly. We will post all meetings, activities, and any information you will need concerning the HOA here. On the top search bar (not google) type camelotlakesvillagehoa.com and then save it to your favorites. It's that simple.

It's That Time of Year

June 1 is typically the start of the hurricane season, however, many times there have been storms form as early as April and May. Included in this newsletter is some information from Sarasota County for hurricane preparedness. This is extremely important information for our newcomers. We hope to have a representative from the county here for a special informative meeting in June.

With hurricane season just around the corner and the summer rains approaching, now is the time to get prepared by cleaning your gutters and trimming debris that could clog the storm drains. We will post pertinent information you should know in the event a hurricane is eminent. It is of the upmost importance that you develop a plan in advance. Although you have several days' notice of a hurricane's strike, it is often not enough time to figure out do I evacuate, when and where do I go. You can check the following website for local information.

[scgov.net](http://scgov.net/emergency-services)>emergency services

More information will come as we get closer to the season.

Veterans

We need your help!

Sal Naimo is working on the display that will go in the auditorium when renovated. We need to know who you are, so we don't leave anyone out. We are requesting a photo of when you were in the service. Contact Sal with questions.

Membership Update

Once again, a big thank you to the volunteers that canvassed their zones to renew memberships. We made our quota of 50% plus 1 and then some. Good job!
