Perspective: the capacity to view things in their true relations or relative importance.

Perseverance: continued effort to do or achieve something despite difficulties, failure, or opposition.

The proof of both is right here in your own backyard.

Special EVENTS

A brand new basket is headed your way! A great addition to any lanai. The “Margarita Basket” is a beautiful wicker tray with a stand, complete with everything you need for that friendly get together. Tickets will be sold at all HOA meetings and Karaoke starting May 4st. The winning ticket will be drawn on June 17th (the Italian Night event). Tickets are 3 for \$5.00 and can be bought at these events, or anytime by calling Patti Bond @618-363-4816

We are looking for volunteers to help get the Veterans Honor Wall started. We need to obtain photos and dates of service from quite a few people. If you are willing to help let us know. Also, if you have just moved in and are a veteran let us know that as well. We do not want to leave anyone out.

Hurricane Preparedness

Just a reminder, hurricane season starts next month. Although we have been lucky, **don't let your guard down.** Last year's damage could have been so much worse. Get prepared now! This is especially important for our new neighbors from areas that don't have hurricanes. There will be pamphlets in the clubhouse library for pick up.

Helpful Hints for Living at CLV

To avoid unwelcome guests from continuing to come through the gates, **do not** give them your personal gate code. There is a code that changes monthly and it's perfect for one-time visitors or delivery people. It's #the month/57. May would be #0557. This is the best way to cut down on who has codes with unlimited access.
